## Hall of Poets

## Some of the famous poets in history

## Details

(facts, Birth, address)

The diagram illustrates a web page layout. At the top is a large gray rectangle labeled "Title". Below it is a smaller gray rectangle. Underneath that is a light gray rectangle labeled "search". To the left of the "Categories" label are four horizontal gray bars. A large blue bracket groups these four bars, with the word "Categories" positioned to the right of the bracket.

A diagram of a bookshelf. On the left, a closed book is shown in grey with a large white 'X' on its cover. Below it, the text 'amous works' is partially visible. On the right, an open book is shown with a blue cover and white pages. The pages contain horizontal black lines representing text. A blue bracket is positioned to the left of the open book, spanning its height.

|                 |  |

A grayscale wireframe diagram of a website layout. The layout includes a top header bar, a large main content area on the left with a large 'X' mark, a sidebar on the right with a list of horizontal bars, a sub-header bar below the list, and a grid of four dark gray rectangular blocks at the bottom right.
